

Moosters Journey Lane

ADCA #042729

PDCA #300921

Red, Carries one copy of dun

Heterozygous polled

PHA and chondro free; parent verified at UC Davis

A2A2

Sire: PRF Hondo Lane

Dam: SS Keira

\$1700

Journey has an incredibly sweet temperament along with a nice conformation. Her dam comes from some of our nicest udder lines with plenty of milk. She's had basic halter training. She's easy to catch in the corral, is food and human motivated (she likes scratches), and is up to date on all vaccinations. She is confirmed bred to Moosters Red Rover (by Biopryn blood test) for a fall of 2019 calf.
