Red, carries at least one copy of E+ red

Heterozygous polled

PHA and chondro free; parent verified at UC Davis

A2A2

Sire: Euchee Creek's Red Sonny

Dam: Moosters River Dance

\$1400

Jupiter is a nice deep feminine heifer ready to go for your show team. She's show trained and sweet as she can be! Jupiter is heterozygous polled, red (carrying at least one copy of E+ red from her sire as well as his deep red color), A2A2, PHA and chondrodysplasia free, with great feet. Her dam, River, has a well shaped udder with a level floor and nicely spaced teats. Like all our heifers, she is parentage verified to her dam and her sire, Euchee Creek's Red Sonny. If you are looking to add a flashy show heifer to your herd, this is your girl!
