Monaco is one of the best heifers we produced this year. She is going to be a tank and will have an udder to match! Her dam, Grace, will be turning 13 this year. We choose Grace for our herd for both her beefy size and her udder genetics. Born 3/13/18, Monaco is heterozygous polled, carries one copy of E+ red, A1A2, PHA and chondrodysplasia free. Like all our heifers, she is parentage verified to her dam and her sire, PRF Hondo Lane.
