This young beauty is just being weaned and will be ready for her new home in early May. She is the full sister to our two show cows, Sprague's Jo and Sprague's Janell (Janell was the 2019 Grand Champion Dexter Female at the National Western Stock Show). We think that Joy has great show potential and will bring a lovely udder to the mix as well. We will be retaining her dam and her two sisters in our herd.
