Clarice is a 5 year old, well conformed Dexter. She has a good udder with four evenly spaced teats and a level floor. She's wide and deep! Clarice comes from a show lines - her sire Archie was an ADCA National Champion. Her half sister on her dam's side was an ADCA National Dexter Female Champion. We showed her as a heifer and she was Reserve Champion Heifer at the Central States Fair in South Dakota. Clarice is so easy going and has a great little bull calf- see his pic below - by Moosters Rory Calhoun at her side (shown below). **She is bred back** to either Little Hoof Cooper or Moosters Rory Calhoun (long story) for an early 2025 spring calf.
